Hello All –

Please find attached a copy of the Emergency CDP for the Refugio oil spill issued today (7/2/15) by the California Coastal Commission. If you have any questions, please feel free to contact me.

Sincerely,

Jonathan Bishop

P.S. – I am still looking for contact names and emails for the following agencies (some of which once listed as part of UC): DOT, USFWS, NOAA, and CA OES.

Please pass along if you have this contact info. Much appreciated.
